## About

I'm a second year college student who loves dogs. I've taken care of more than 30 dogs with 3 being my family dogs and the rest being my neighbors'. I've received professional dog training certificate, but currently I'm only dogwalking to balance the heavy school work. I would love to meet you at a nearby coffeeshop to get to know your puppers!

## Reviews

A

Alice ★★★★★

Sarah is absolutely amazing. She is very attentive and she gets along with my puppy very well. Thanks Sarah!

A

Sal ★★★★★

Sarah is absolutely amazing. She is very attentive
